ALCOHOL AND ADDICTION STUDIES
GUIDE TO RESOURCES ON JOSIAH

This is a guide to searching Josiah for material on alcohol and alcoholism studies, and also for addiction studies in general. The guide also covers substance abuse, which is the abuse of alcohol, drugs, and other chemical substances collectively. Other than alcoholism, this guide does not cover works on individual addictions such as drug addiction or compulsive gambling.

3. Subject subdivisions
In addition to the authorized Library of Congress headings, Josiah permits the searching of subject subdivisions such as —Alcohol use or —Rehabilitation.

4. Keywords
You may also use TERMS that you can think of to search:
   - Keywords from titles and subjects
   - Keywords from contents notes and names of organizations

5. Names either as author or subject. For example:
   Kirk Collection (Brown University)
   Names of individual persons and organizations associated with alcohol and addiction research, such as:
   Alcoholics Anonymous
   National Institute on Alcohol Abuse and Alcoholism (U.S.)
   Women’s Christian Temperance Union
   Addiction Research Foundation of Ontario
